1970 CATALOG OF TALKING BOOK PUBLICATIONS--SUPPLEMENT #3

September, 1971

The following titles have been awarded to the Printing House, for recording in Talking Book form, to the order of the Library of Congress. Many of the titles have been completed, and all should become available within the next few months. All are microgroove recordings, playing at 16-2/3 rpm. Most of the records are 10" in diameter and play approximately 45 minutes to the side. However, those titles marked with the sign # after the price are 7" in diameter, and play approximately 17 minutes to the side. Titles preceded by an asterisk (*) are of juvenile interest.

Note: Be sure to include the CATALOG NUMBER of each title when sending in orders. (This number is listed right after the number of records for each title and is underscored.)
